Y2K fashion makes a shining comeback with the Louis Vuitton x Murakami Re-edition

[louisvuittonxmurakami](#)

Louis Vuitton x Murakami re-edition ushers in 2025 with a stunning comeback amidst the resurgence of Y2K aesthetics. A joyful fusion of iconic designs and cutting-edge innovation, this re-edition collection is set to enthrall lovers of luxury with strong preferences for colour and charm.

Louis Vuitton and Takashi Murakami are kicking off 2025 in dazzling style with the launch of a re-edition collection that celebrates 20 years since their first groundbreaking collaboration. This partnership, initially spearheaded by then Artistic Director Marc Jacobs, redefined the boundaries of fashion and art when it debuted in the early 2000s. Now, the iconic Louis Vuitton x Murakami collection returns, reimagined with cutting-edge technology and timeless craftsmanship.
